

The Omnipresent O Buddy!

An {iPi}CreativeLab
Production

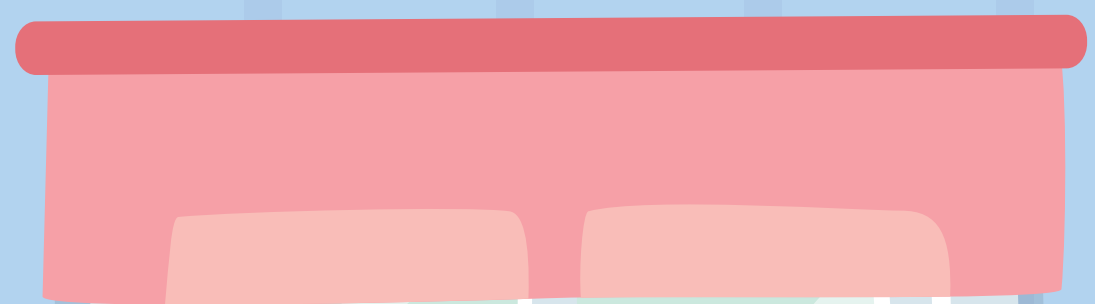

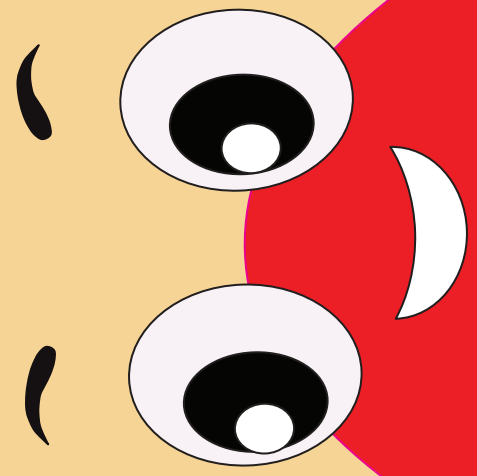

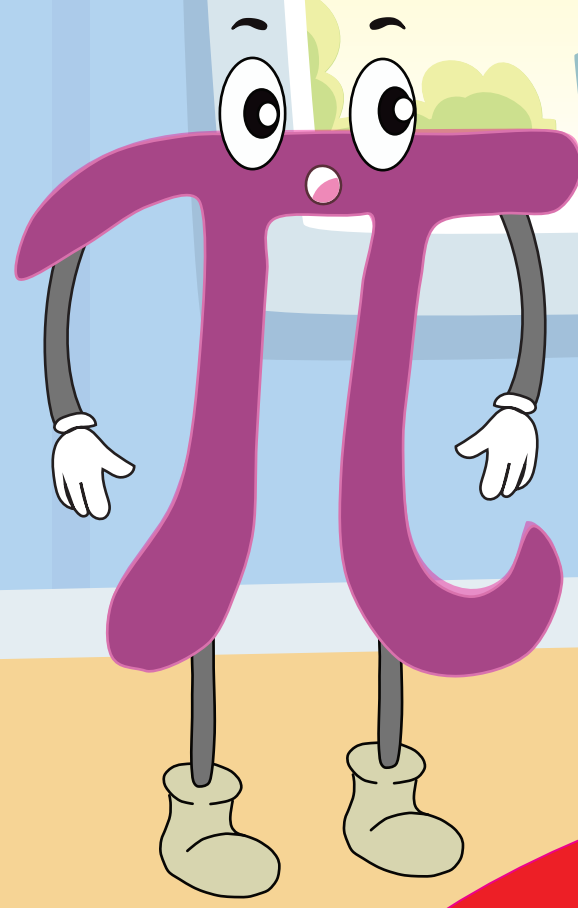

Hey Ritwik!
Did you see our
O buddy anywhere?
I have been searching
for him since morning.

Oh yes!
Let me
show you.

Do you see that football? See, our O buddy is there!

Look down and see the rug, our O buddy is here too!

Now turn around and look outside the window. Do you see our O buddy?

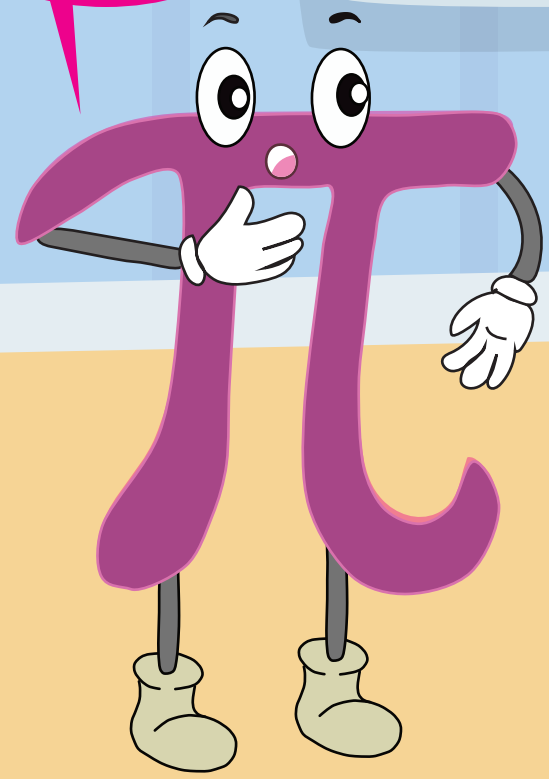

No, I cannot see anywhere.

Oh yes!
Now I can see.

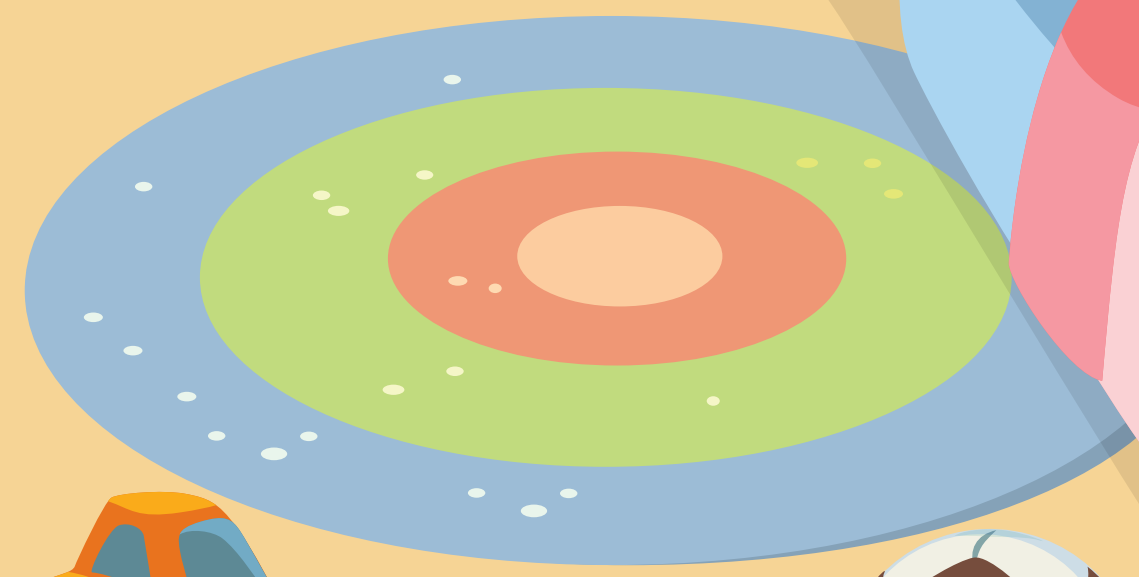

Look at the Sun,
O Buddy is there.

Hmm...
Let me see!

Pi Buddy, now you
tell me, where else
do you see O buddy?

Yaa!! Now I see
O buddy in the Globe
and the Wheels of
the car too.

Wonderful!!!

Wow Ritwik and Pi Buddy!
You have figured out
my magical power.

I am everywhere,
you just have to
look for me.
